# REFLECTIONS ON 2022

---

*Mayor Henry Braun and CEO Karen Biggs, 2013 - 2022*

In 2022, Menno Place residents, families and friends began to, once again, hope for life to return "to normal" after a 2 year COVID-19 pandemic.

In summer 2022, we began to host events for residents and staff in our one acre courtyard located in the center of Campus of Care.

Events included a summer Hoe-Down BBQ for residents, Butterfly Release for families and staff BBQ.

Karen Biggs, CEO announced her retirement in the fall as did our HR Director, Jeanette Lee. All 3 chaplains (Ingrid Schultz, Ingrid Stahl and John Dyck) retired over the summer. We are pleased to welcome three new chaplains to the team.

We are pleased to have 3 new chaplains and a new CEO, Sujata Connors beginning in February 2023. We continue to seek a new HR Director who loves seniors and shares the Menno Place vision and mission.

## **The effects of the pandemic continue to impact our staff.**

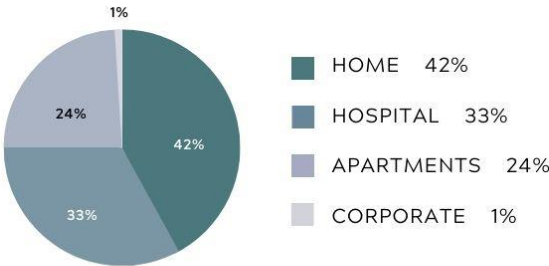

Staff shortages continue as we have sick staff in the flu season and protocols to stay home from work when sick.

We continue to trust God to provide staff for the Menno Place Team who love their jobs and experience their work as meaningful ministry to the vulnerable.
